

# SMALL DEVELOPMENT SUCCESSSES

Established in 1863 we now have 145 years of experience in selling property and have over 20 years focused success in the marketing and sale of "New Homes".

In 2007 Fulfords achieved nearly £500 million worth of sales, our website received over 55 million hits and reported nearly 40,000 new visitors every month.

## Owen McLaughlin Regional Manager

Owen has 20 years service with Fulfords through which he has accumulated a vast knowledge of estate agency and property matters in general. Owen is responsible for ensuring the smooth running of this extremely successful team whilst providing first hand support to our developer clients.

During the course of the last year our endeavours within the New Homes Market have meant sales in a wide and diverse range of property from small studio apartments to substantial detached family homes. In order to achieve this our dynamic approach has been developed and enhanced to suit the changing market and hence we are confident of continued success throughout 2008.

## Jane Curnow Sales Manager

Jane has 20 years experience in both residential and new home sales. Jane is responsible for the marketing and promotion of all new home developments and the management of site staff and new home sales.
